STUDENT LIFE

Cougar Students Make Memories

Talent Displayed in Out-of-School Sports

Garden City High School students have always been spirit oriented- out of school as well as in school.

Some of our sports are organized by Garden City Parks and Recreation such as hockey, baseball, soccer, basketball, and softball.

Other sports are done in students' spare time such as rollerskating and ice skating.

No matter which sport is being played, if a coach is present or not, students enjoy the chance to participate in any recreational activities.

Students Gain Experience In After School Jobs

Many students at Garden City High have jobs after school, including some that are through co-op.

Students work in fast food restaurants, cleaners, hospitals, shopping malls, and many other places.

Having a job gives the students a sense of responsibility and allows them to have their own money for car insurance, a car, college, clothes, and a social life. Having a job also helps the students to face the world and prepare for life after they are out of high school.

Newspaper Staff Displays School Spirit

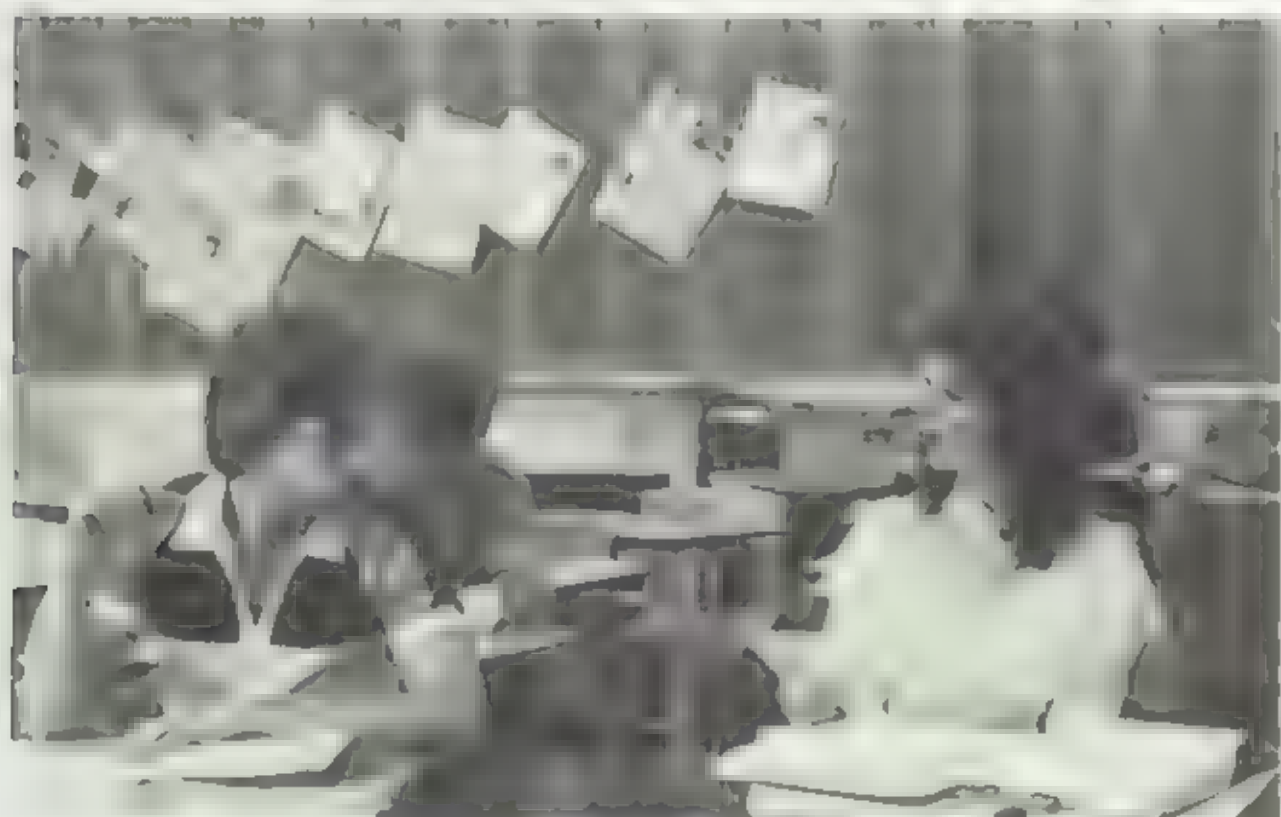

The newspaper, Cougar Tracks, is produced by the students enrolled in the Journalism II class. The newspaper staff puts out several special editions of the paper for times like Halloween, Christmas, and Graduation. The Graphics III class provides the necessary finishing steps in the production of the paper. It is enjoyable reading at GCIS because it keeps students informed of the news around them.

The 1983-84 advisor for the Cougar Tracks is Mrs. C. Haukkala.

Upper Right: Nancy Schultz enjoys doing her share of the work. Lower left: Keith Johnson and Renee Clark discuss their projects.

Yearbook Revives Fond Memories

The 1983-84 Yearbook Staff worked very hard this year to bring the students of Garden City High School a highly regarded yearbook. Under the guidance of first year Yearbook Advisor, Mrs. Hollingsworth, some new ideas were added to the yearbook. Yearbook staff members tried to catch the student body with just the right pictures. We hope that the students will appreciate the job that the yearbook staff has done this year.

Student Council Provides Leadership

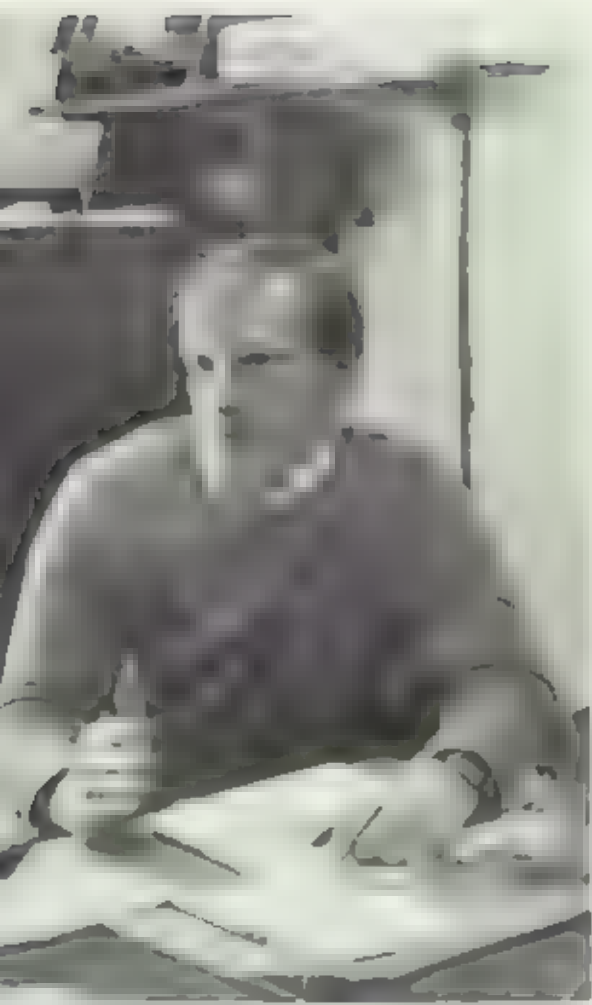

This year's Student Council consists of 8 representatives elected from each class. Students help in organizing various activities involving the entire school.

Some of the activities this year included the Red Cross Blood Drive, the exciting Coming Home Dance, and the very successful 24 hour Dance Marathon.

Leading the Student Council with these activities are President Marie Karwan; Vice-President- K C Howell; Secretaries are- Mary Heintze and Susie Pepera; and Treasurer- Tracey Burkhardt.

Spirit Soars High at Pep Assemblies

Pep assemblies were a sound of entertainment for the students at Garden City High school. The purpose of pep assemblies is to encourage more students to become more enthusiastic about their school pep assemblies; also to break the monotony of an average school day. The spirit of Garden City High School was enormous. These pep assemblies were very successful at Garden City High because of the vast amount of pride and spirit reflected in its pupils..

Homecoming Parade Shows Spirit

This year's Homecoming Parade with the theme of commercials, showed great artistic ability and spirit.

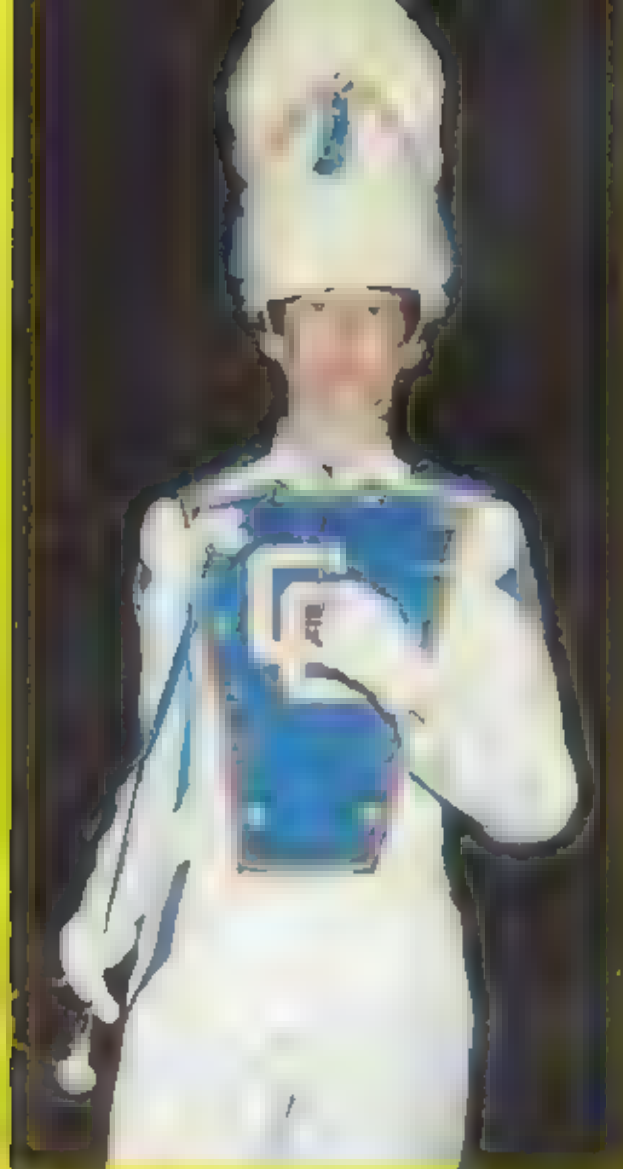

Each class followed the theme perfectly with the winning Seniors showing how to "Wash Up the Panthers", the juniors taking second place proving that "Nothing Comes Between Cougars and Their Victory" using the Calvin Klein theme, and the sophomores pulling up the rear asking the question, "Wouldn't You Like to be a Cougar too?"

Pride Shows Through The Homecoming Floats

As soon as this year's theme "commercials" was announced, every class strived to make their float and window the best. Seniors place first for floats. Seniors helping with their float included Steve Gerrard, Andy Taylor and John Romano. Their window came in second with Marie Karwan, K.C. Howell, and others working. On the second place float for the Junior class were Lisa Camillo, Maureen Diederichs, and Dennis Allison. Their window came in first place with the help of Lorraine Matsuoka Heidi Howell, Larry Nelson and many others.

The Sophomores came in third for their float and window. Lisa Bencic, Liz Romano and Audie Wheeler were a few students helping.

Powderpuff...A New Tradition

The newly adopted Powder Puff Football game during Homecoming Week was a great success this year. Girls of each class performed in unity to beat their opponents in a grueling football game.

In the first game, the Sophomores played against the Juniors with Sophomores as the victors.

Finally came the playoff game between the Sophomores and the Seniors. After great effort by both teams, the Seniors came up on top in overtime with the winning pass thrown to Carol Zuke by quarterback, Dawn Roach.

Of all the new traditions presented by Mr. Cowden, Powder Puff Football seems to be one of the lasting ones.

Cougars Play Tough in Homecoming Game

This year's Cougar Homecoming Game was fought to the bitter end. The visiting Redford Union Panthers who led 7-0 at half-time, then scored two unanswered touchdowns to lead 21-0 after three quarters. Even though some of the fans left, the Cougars still played tough. Scoring on a late fourth quarter pass play, G.C. then tried an unsuccessful onside kick. R.U. ran out the clock and won 21-6, but the Cougar Team never gave up!

Color Guards with Class

The 1983-84 Flag squad, led by Paula Hill and Julie Buoncompagno and Rifles led by Kim Hughes and Carin Cramer have participated in many activities. Performances at football and basketball games began their year of excitement. Showing off their talent at pep assemblies was one of their bright spots. They also performed in various parades throughout the year.

Majorettes Twirl with Action

The majorettes, with only four girls on the squad, have worked hard to perfect their routines this year. These girls really sparkle.

Captain Jennifer Mullins leads Diane Howard, Cara Cato and Jill Papin on with spirit and enthusiasm.

Along with attending band camp, the girls participated in band day at Michigan State University and twirled in parades.

The Band Performs at its Best

The Garden City High School Band includes over 100 instrumentalists, pom pon girls, colorguard squads, and majorettes.

The Band, led by Director James Cheyne, performed in parades such as the Garden City Christmas parade, the Wonderland parade and the Denver parade.

They raised money by

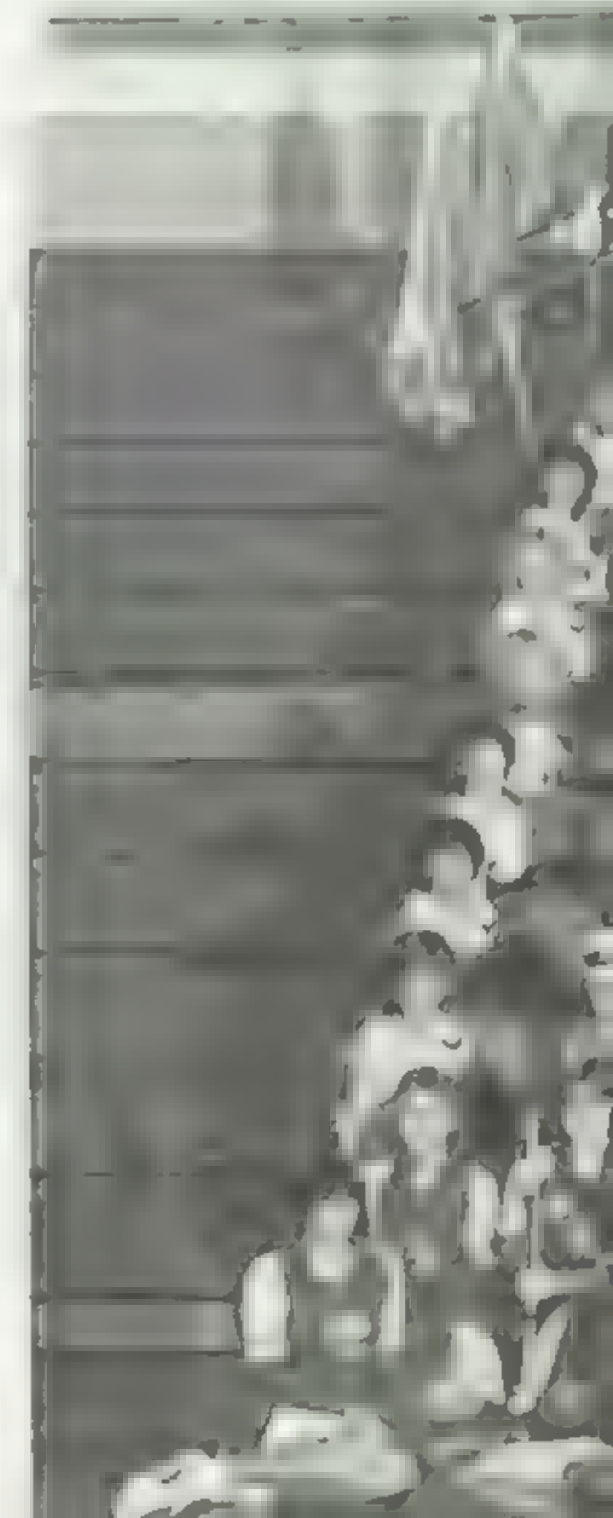

selling things ranging from fruit, fruitcakes and candybars' to shirts and shorts.

This year the band heads for Colorado to march in the Denver Memorial Day Parade.

J.V. Cheerleaders Sparkle and Shine

The 1983-84 Junior Varsity Cheerleading Squad, led by co-captains, Roseann Vettrano and Mary Heintze, really sparkle and shine.

To raise money, the j.v. squad has sold candy, keychains and calendars along with the Varsity Cheerleaders.

The girls have done a fine job this year cheering for pep assemblies and j.v. football and basketball games.

Varsity Cheerleaders Sparkle with Excitement

The Varsity Cheerleaders, with the help of their sponsor, Gail Humphrey, kept the school spirit alive by cheering on their teams with the rest of the school. They have had fundraisers such as selling candy sticks, calendars, and having bake sales at the home games to raise money for uniforms and other things. Hoping that they keep up the good work, Varsity Cheerleaders will again prove their excellence.

Pom Pons Strut their Stuff

Excitement and enthusiasm were always shown by the 1983-84 pom pon squad. Performances at football and basketball games helped get everyone fired up.

This year's pom pon

squad participated in various activities. They marched in Garden City's Christmas parade and were reindeer in the Wonderland parade. They also performed in the school's variety shows and went

to competition in February.

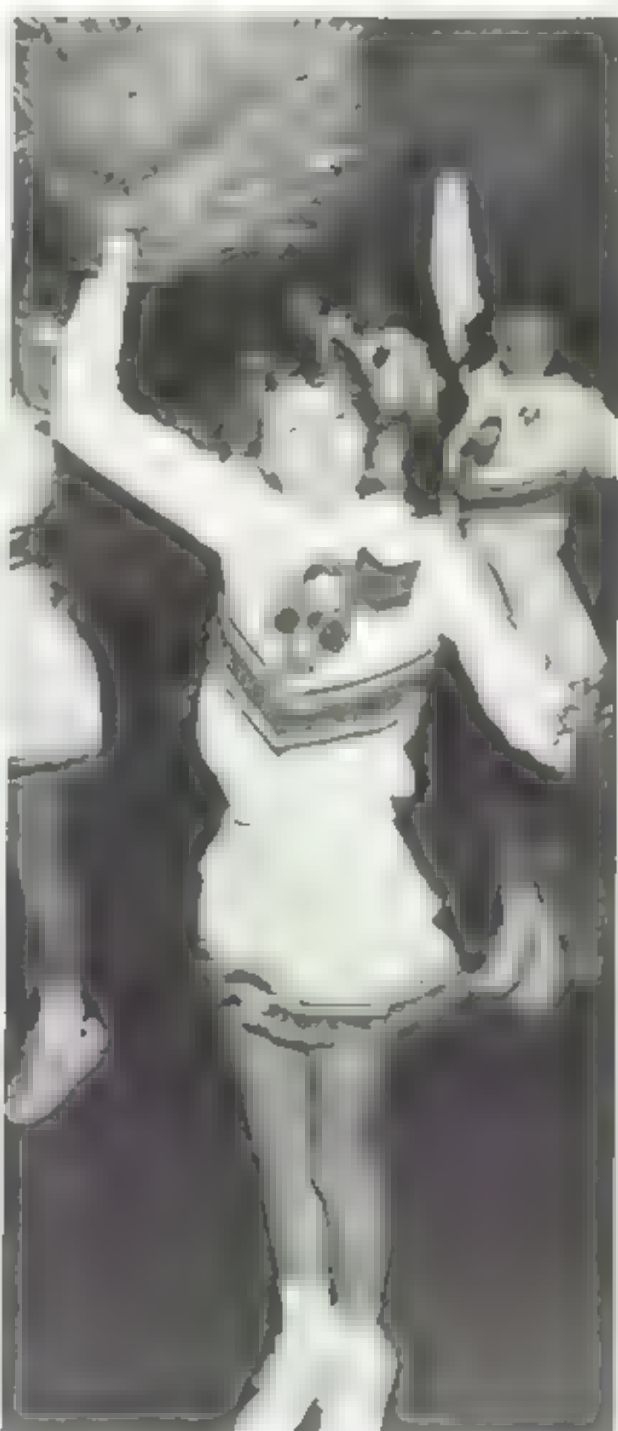

The squad's captain, Teresa Craft and Melissa Mazei, have led them with many hard practices that have shone through by their performances.

Booster Club...Concerned about our Youth

This year's Booster Club has supported our high school sports along with supplying funds for teams needing help. They have supplied programs to our teams fans while showing up at a majority of our sporting events. One of the greatest contributions from our Booster Club is the regrooming of the football field which was badly needed.

The Booster Club has always introduced the students on the teams at the first spring and fall Booster Club meetings. We appreciate their support and hope to be as priveleged to work with them in the upcoming school years.

Sportsmen Club Shows Spirit Outside

Led by Mr. Dittmar, the Sportsmen met after school and had some great opportunities to fish and hunt.

One field trip they took during the cold weather was to Cavanaugh Lake for ice fishing. They learned all the special tricks needed to catch the fish.

In March, they went to Pellston to Tippy Dam where they will have a chance to tie flies and make fishing rods.

Additional opportunities were found at the Outdoorama, a major sporting display in the Metropolitan area. They joined Michigan United Conservation Club so they would have more opportunities to get together with others.

Above: Mr. Dittmar shows club members how to tie flies for lures. Right: 1983-84 Sportsmens Club.

Pride Shows Through with Shakespeare Club

Shakespeare has inspired many high school students to apply for membership in this community oriented organization, sponsored by Mrs Baritche. Accepted members experience informative discussions about the Theatrical and cultural aspects of Shakespeare's works. In addition, field trips to performances of his plays are enjoyed by all who attend.

In the five years of its existence, the club has held many fundraisers in order to serve the community better. One project, which took two years to complete, involved a \$2,000 donation towards the reconstruction of the Globe Theater. Other efforts have resulted in the purchase of audio-visual kits for the school library and a video recorder for the English Department.

Writers Club Helps the Lonely-Hearted

The Writers Club has been in its current existence for two years. In that time, its members have competed in numerous writing contests, receiving many awards and recognitions for their efforts. With the help of its sponsor, Mr. Pietro Digiorgio, and other talented writers in our school, the club plans to create a literary magazine next year.

Informal discussions are held every Tuesday after school in room 106. Expression, creativity and imagination are encouraged in all that attend.

NCT . . . Watch the Stars Come Out

New Concepts Theatre put on three school plays in 1983-84, Wake Up Darling, Hansel and Gretel, and the spring musical Chicago.

Various fundraisers like the cheese and sausage sale also the tootsie roll sale, this provided money for props, costumes, programs and various other things that are needed.

The 1983-84 New Concepts Theatre group proved to be one of

the best ever.

The group is under the guidance of Mr. Howard Palmer.

The theatre group practices every day after school. The students are very skilled and do a great job.

The officers of the group this year are: President, Maureen Toal, Vice President, Donna Horning, Secretary, Sandra James, and Treasurer, Lisa Moore.

N.H.S. Supplies Tomorrow's Leaders

The National Honor Society, which was sponsored by Mrs. Lelek and Mrs. Fristick, has been very successful in serving the community. Besides volunteering over 1,000 service hours to the area, many members also took part in the Dance Marathon, as well as gave blood in the Student Government Blood Drive. In a special campaign to help Children's Hospital's Hematology Clinic, N.H.S. raised over \$400 and 500 toys.

Garden City Sings Out

This year the choirs performed at many extracurricular events. Choir was not just another class for these students; it was something that they looked forward to participating in. The choir performed in Kaleidoscope, a Christmas program and many other events. The three choirs this year were Beginning Choir, Ensemble, and Advanced Choir. Mr. Ainslie was the director of all three choirs.

The Class With the Spirit

What's Ahead in "85"

The Junior Class began the 1983-84 school year with Colleen Perry as their President. The class started out by taking second place in the Homecoming Float Competition.

But the greatest moment of the year that will be remembered by all was the Homecoming Spirit Week when the Juniors took first place in four out of five days, killing the Seniors and Sophomores for the Spirit Competition.

Colleen Perry, President; Donita Deschamps, Vice-President; Jody Minch, Treasurer; Lori Butka, Secretary.

This year's sophomore class has really "stacked up" against all the trials and tribulations that go along with high school life. Despite being on the bottom rung of the high school ladder, their spirit and unity has forced the upper-classmen to take note of these future leaders.

These Sophomores were too self conscious to get their picture taken. After all, starting over again in a new school where they don't know how people will react towards them is a difficult situation. Sophomores have a label which is not fair. They cannot make a mistake without getting put down. But then who's perfect? Give Sophomores a chance to prove themselves!

COUGAR SPORTS

J.V. Cougars Show Their Pride

The 1983 Junior Varsity football team under the leadership of coach John Garvin posted a 5-3-1 record. The team was tough, strong, aggressive, and never gave up. The captains were Terry Bonner, Pat Giese, Steve Kokowicz, and Don Morton. Defensively, the team was lead by Steven Kokowicz who played linebacker while their running attack was bolstered by fullback George Boston.

They improved greatly this year and with the experience gained by each member of the team they plan to improve on their 5-3-1 record next year.

Far Right: George Boston breaks through the Raider Defense. Right: Streaking down the sidelines is Eddie Mocadlo.

Bottom: Cougar Offense scores again. Left: Joe Mukavetz calls the offensive signals. Top Left: Glenn Chickering watches his team from the sidelines. Top: Anthony Mocadlo eyes the open field.

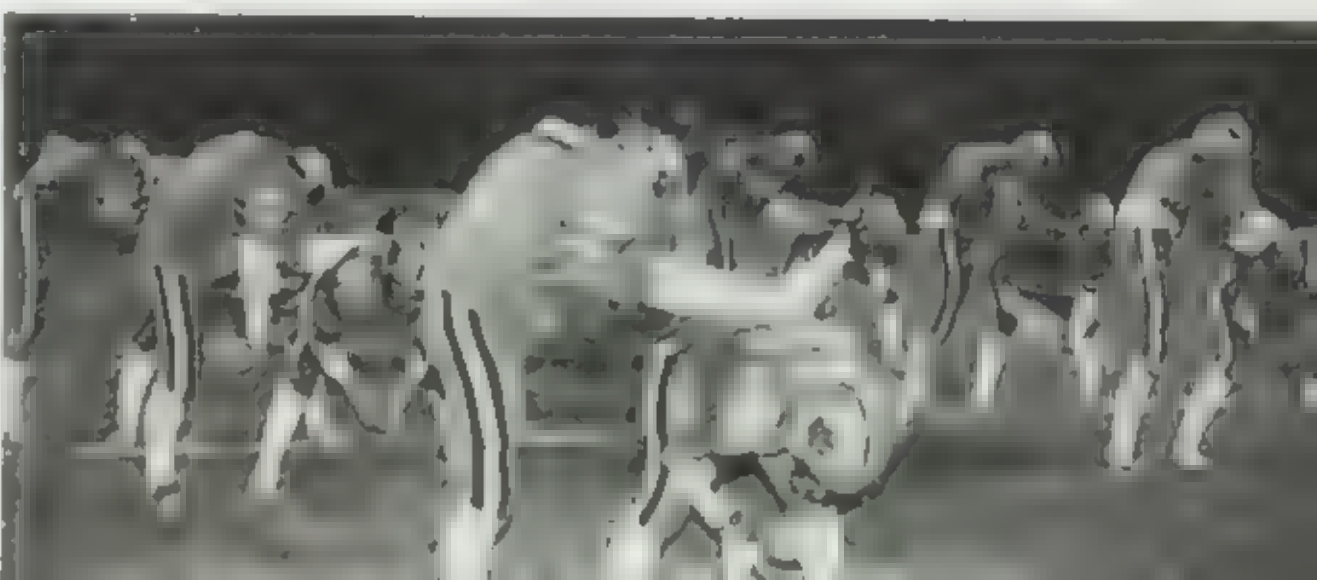

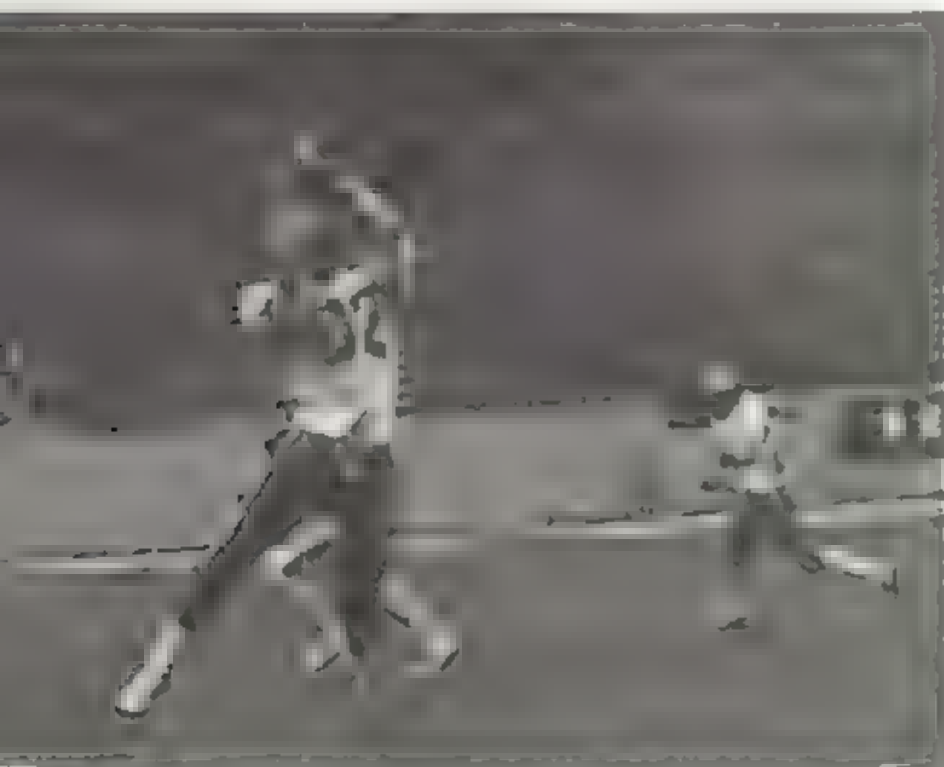

Varsity Football Striving for Excellence

Although the Varsity Cougars did not have a great record at 3-6, they certainly played like a team with pride and determination. They faced the toughest schedule in recent years. Winning one of the first five games was discouraging, but the gridgers won two of the next four, the last defeat, a heart-breaking 7-6 loss to Crestwood, showed what the team was made of. Although they bent, our Football team never broke. We can all be proud of that.

Cross Country Runs with Pride

Under the coaching of Phil Freeman, the Garden City Harriers had a record of four wins and five losses.

The 83-84 Cross Country team consisted of two seniors, five juniors, and one sophomore. Two of these eight members, David Homann and Jenny Shroat, qualified for the state.

Golf Team Shows Spirit and Sportsmanship

The 1983 Varsity Golf Team was coached by Paul Renko, who led them to a 4-10 record. They were 3-7 in the league. Highlights of their season were two victories over Redford Union and finishing higher in the Western Wayne and the Regional Tournaments than in 1982.

When asked about next year, coach Renko stated, "We have several juniors and sophomores returning that could make a positive contribution to the team."

J.V. Team Gets New Faces, New Look

This year's Girls' J.V. Basketball team enjoyed a very successful season, compiling records of 6-3 league and 11-5 overall in addition, two of the losses, to Livonia Franklin and to John Glenn, were by margins of three and two points, respectively.

Next year's varsity squad should have another winning season as these girls move up to the varsity team.

Girls' Varsity Shoots with Spirit

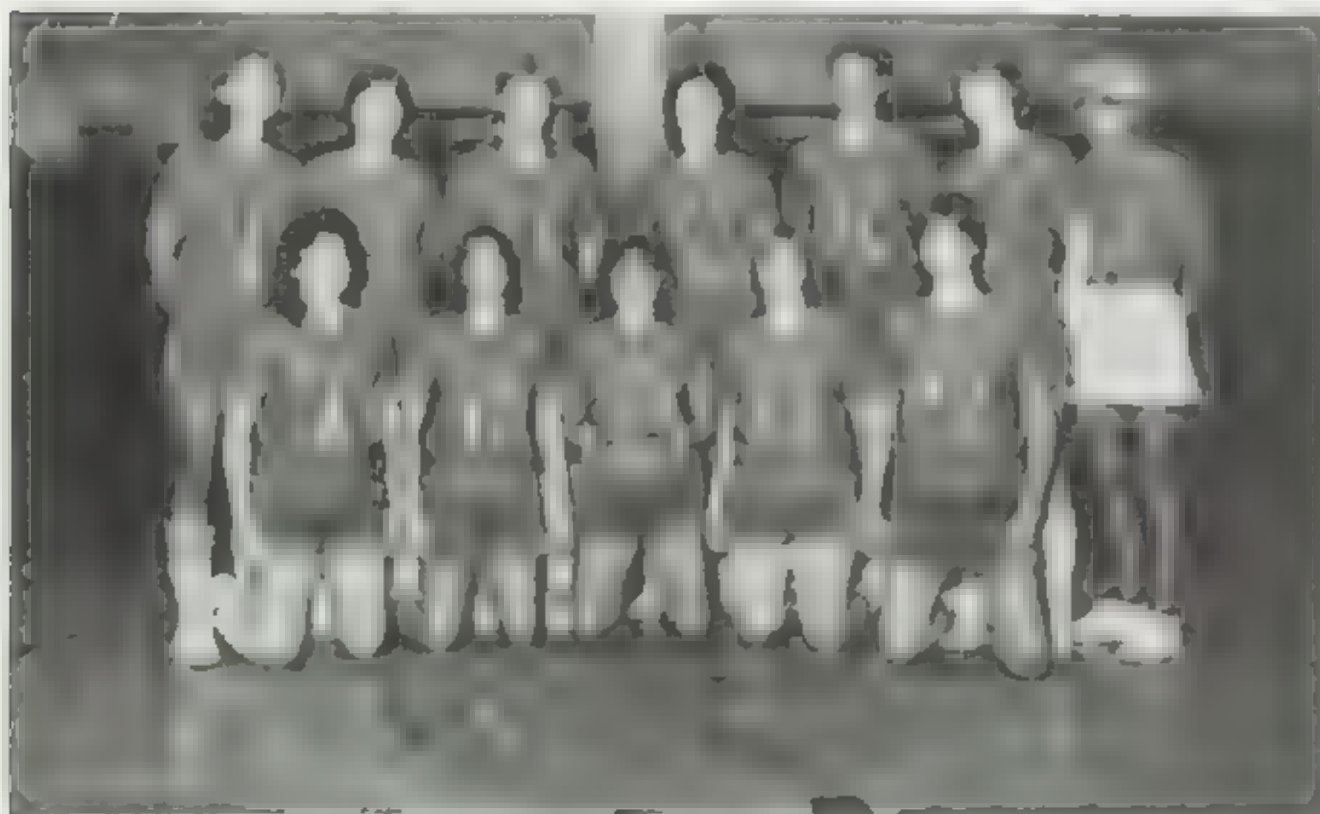

This year's Girls' Varsity Basketball Team under the guidance of Coach Jan Moore and Assistant Marshall Henry had a good season, ending up with 10-9 overall.

Receiving honorable mentions in the Observer for all area this year were Sue Tankersley and Jennifer Waldron. Other key players were Tammy Narramore and Kathy Green.

The girls played as a team which was made

up of Kathy Green, Sue Tankersley, Patti Frost and Sally Berger as guards. Forwards were Katrina Wallace, Tammy Narramore, Chris Neslund, Carol Howard and Sue Cyrus. The centers were Bonnie Barnett, Lori Russ and Jenny Waldron.

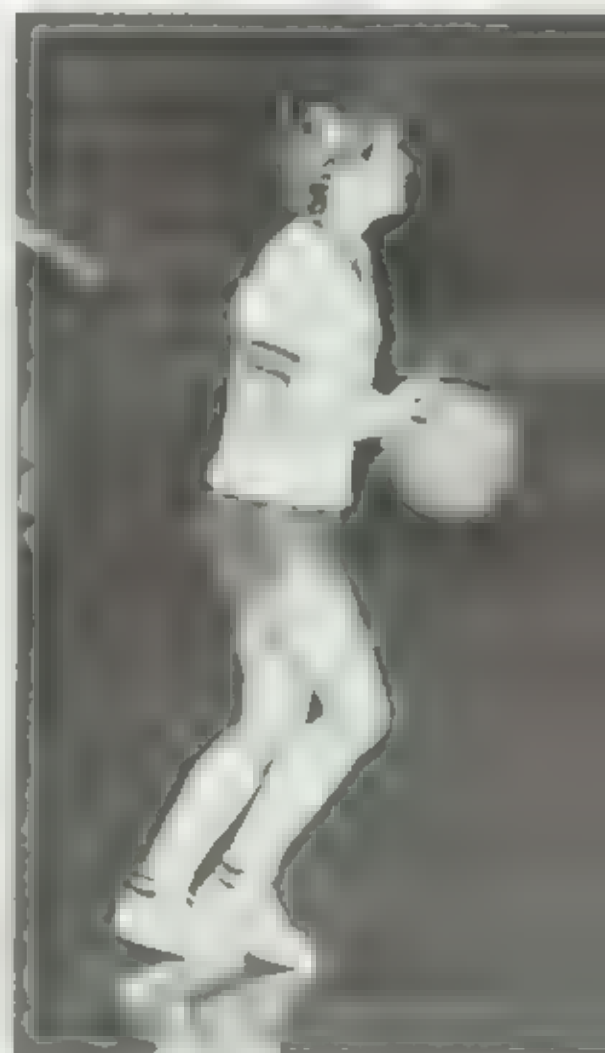

Some of the games were close but the team showed their spirit and sportsmanship by never giving up or losing their confidence.

Home matches in CAPS

This years' Girls' Tennis Team was small and inexperienced, and in a league like the N.W.S.L., it cost them.

Coach Hanosh stressed fundamentals and technique and it finally paid off when the team won their only match against Wayne Memorial at the end of the season.

Coach Hanosh said that this years' experiences will benefit next years' team and that an improvement should be evident.

Soccer Team Shows How It's Done

The 1983 Soccer team under the coaching of Steve Vakratis, exploded this year with an overall record of 15-2. The team expected to go far in the state tournaments, but was unexpectedly upset by Notre Dame. The team had plenty of help from Senior Paul Pummil who led all scoring with thirty goals. His scoring was one of the top five scores in the state. Also contributing to the nearly undefeated season, Senior Andy Muglia made the State Dream Team. The team says Vakratsis is a great coach and knows what he's doing. Vakratsis also made Coach of the Area in the observer.

Female Tankers Score High in Competition

The Garden City Girls' Swim team, under the leadership of their new mentors, Jim Burgos and Debby Karabees, ended a fine season with a 6-6 record.

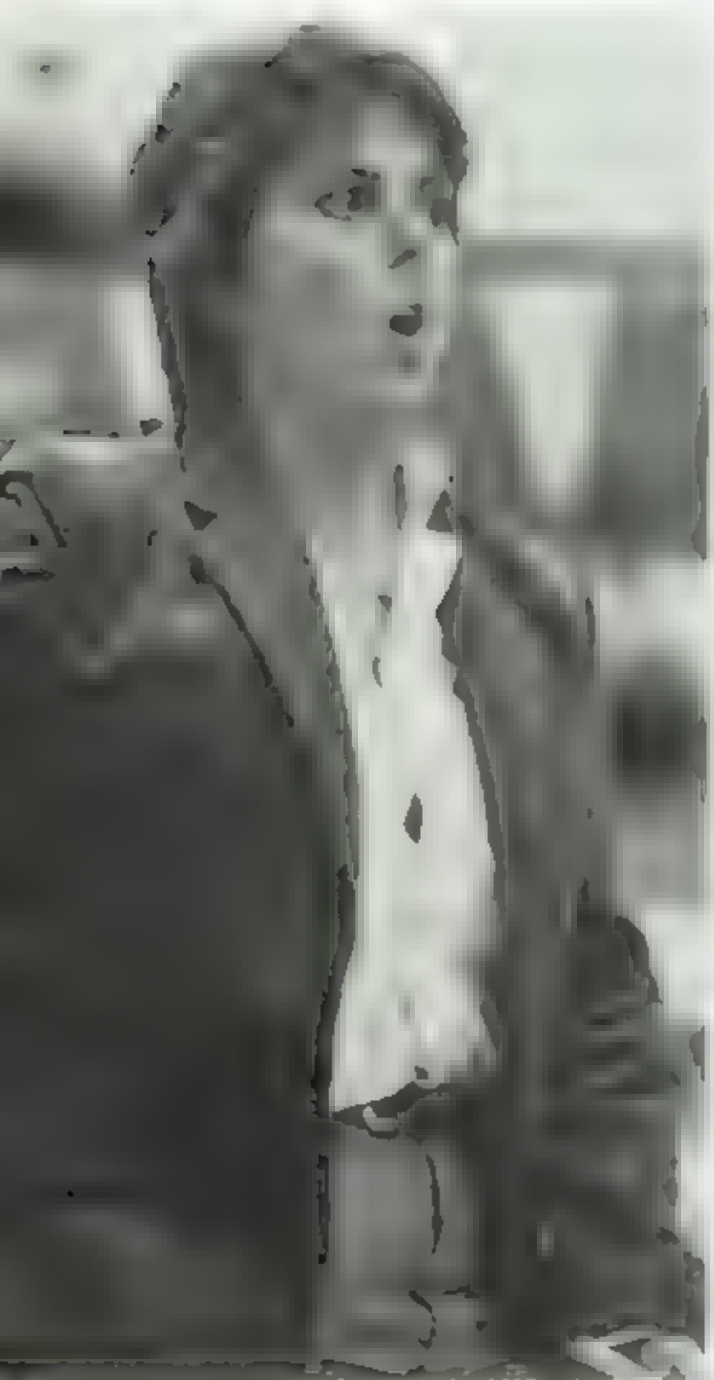

The girls were dedicated swimmers and set high standards for themselves. They put their best stroke forward, competing well, and two girls qualified for state.

The co-captains, Joanne Wince and Diane Hilliard, both seniors, were a great asset to their team.

Experience Gained by J.V. Cougars

The 1983-84 Cougar J.V. Basketball team displayed good sportsmanship and school pride as they took on a tough schedule in the Northwest Suburban League under the fine leadership of Coach Lessnau. They showed that they could work together as a team.

This season the team has gained useful experience for their years on varsity.

Cougar Team Puts the Pressure On

The Varsity Basketball team went through some highs and lows this year. They started out the first half of the season with victories over Cherry Hill, North Farmington, and had a very impressive 7 - 3 record. The team includes Seniors: John Defrates, Dave Haydon, Jeff Shroat, Dave Butka, Bob Ference, Steve Klein, Co-Captains Scott McCloskey and Paul Krol. Along with Juniors: Steve Freier, Todd Webb, Kevin Sheridan, Steve Dunning, Dave Wegzyn and Jeff Brothers.

The experience gained this season will put the Cougars in strong contention for the Northwest Suburban League title next season.

Varsity Volleyball Bumps Off Opponents

One of the few winter sports offered to girls here at Garden City High School is volleyball. This has only been the second season for this

in GCHS history. Both years have been successful for the varsity. This year's team was led by Chris Neslund and Linda Crump and Coach Tom Teters.

J.V. Volleyball Serves Up a Winning Season

Speed, power, skill, pride, and determination all these words describe the 1984 Cougar J.V. Volleyball team. The team, coached by Tina Ball, displayed all these attributes perfectly. The team captains were Karen Felts and Sherry Burton.

Swimmers Wash Up Opponents

The boys' swim team, though small and inexperienced, showed great spirit and determination, despite facing powerful opponents. The team was lead by team captain, Brian Rogers, who dominated the diving competition. Other stand-outs include Bob Duke, Chuck Stevenson, and Mike Matich.

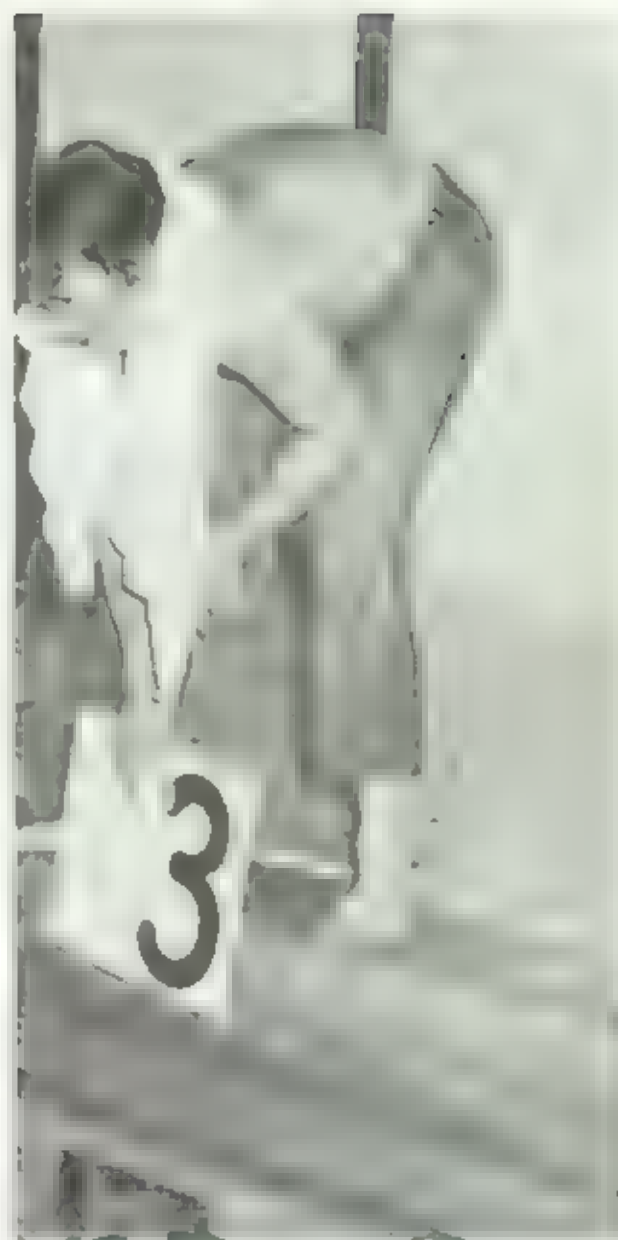

The coaches Dave Burgous and Annette Kabiske, with this year behind them, look forward to a better season next year.

Grapplers Show Promise

This year's wrestling team coached by Dean Shipman in only his second year posted a record of 16-6. The Junior Varsity also had a great year at 19-2.

The Cougar Varsity also won their first team title in over 8 years at the Southgate Tournament. With only 5 starters graduating and a lot of help from the freshman class, next year's wrestling team should be the best ever. Congratulations to Dean Shipman and assistant coach Phil Freeman.

Computers: Math Department Comes of Age

MATHEMATICS

This year marks the first time that the computer lab operated at full strength. Mr. Renko and Mr. Methner give new meaning to "List," "load," and "Save."

Traditional math classes such as Geometry, Algebra, and Trig continue to force us to think logically and do our homework.

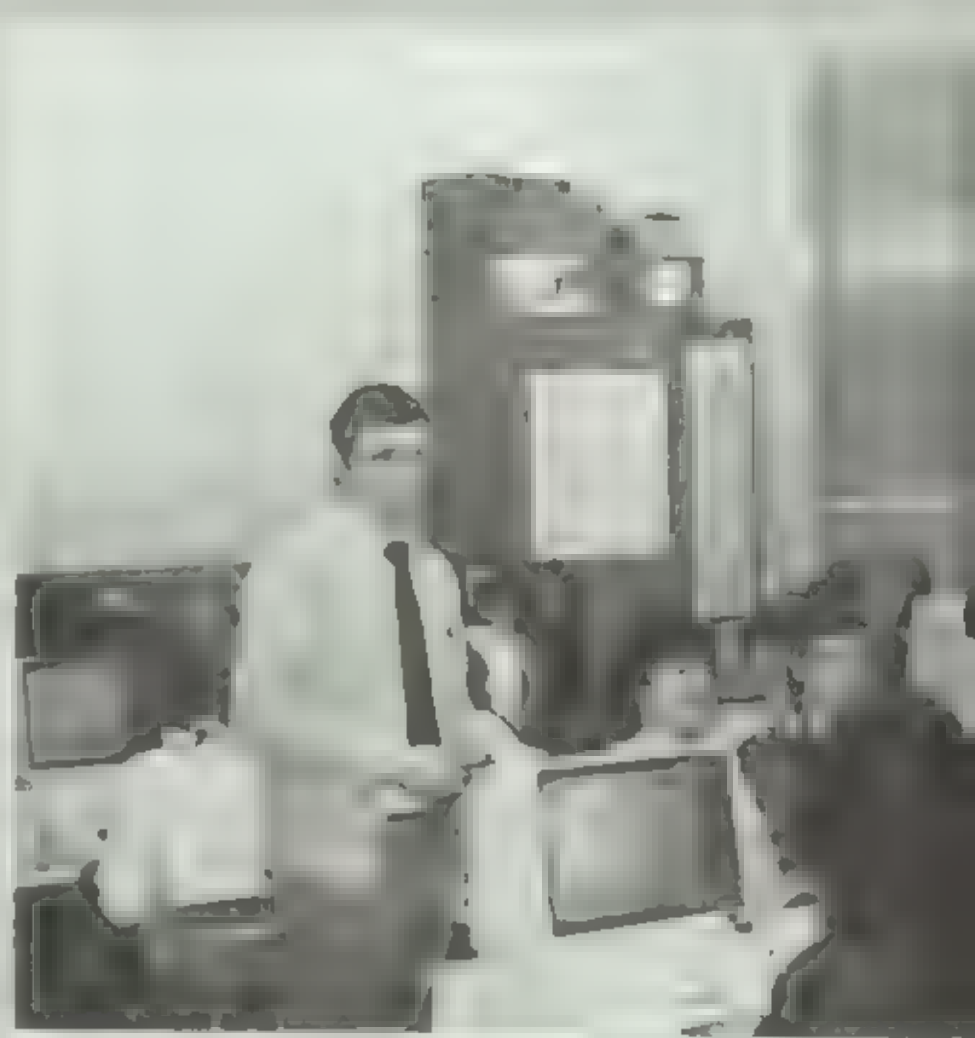

From Mrs. Cathey's southern drawl to Mr. White's good humor, we find that mastering math requires effort and determination.

SCIENCE

Some of our greatest challenges come from Science. Whether we deal with Mr. Lenic's Genetics, Mr. Mulholland's Physics, or Mr. Ming's Organic Chem, we put in the extra hours to master a demanding, complex subject.

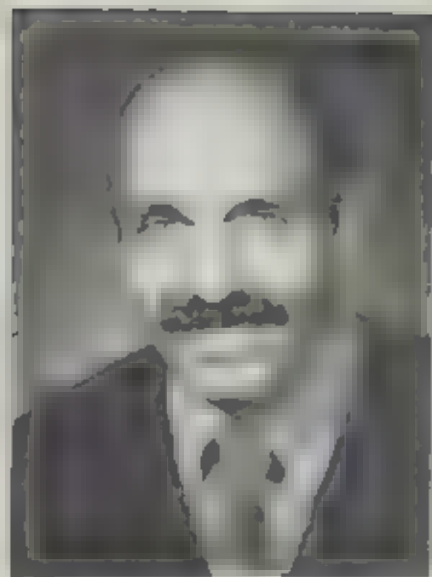

Long hours memorizing the Periodic Tables or the bones in the body finally pay off at test time. The reward comes in the effort.

ART

Mr. Davis and Mr. Morrell challenge us to express our creativity in different artistic ways. Working in clay or weaving, painting in water colors or acrylics, we learn that composition and design make a big difference

Mrs. Paupore helps us get started in Exploratory Art. The Art Show in May displays the diverse creative talents.

PHYSICAL EDUCATION

Whether we work out on weight lifting equipment in Football or Wrestling Tech or learn healthier ways to eat and exercise in Self or just learn the basics of swimming and sports in Swim and Gym, we all recognize the need for something different from academics.

Above left: Mr. Davis helps a student in Studio Art. Right: Mr. Morrell advises Steve Dunning and Joe Adams about their projects.

MUSIC

Working to establish Garden City's reputation as musicians and singers, the band and vocal music class forces us to work together and practice hard to achieve the most we can—whether in classical or popular music.

Counselors Assist Students in Problem Solving

GENERAL EDUCATION

Miss Pheney and Mrs. Hicks help lead us through the alphabet soup of getting into college -- PSAT, ACT, FAF all start to mean something now.

Mr. Kelley and Mr. Duffy always stop to help us solve personal problems or get back on the right track.

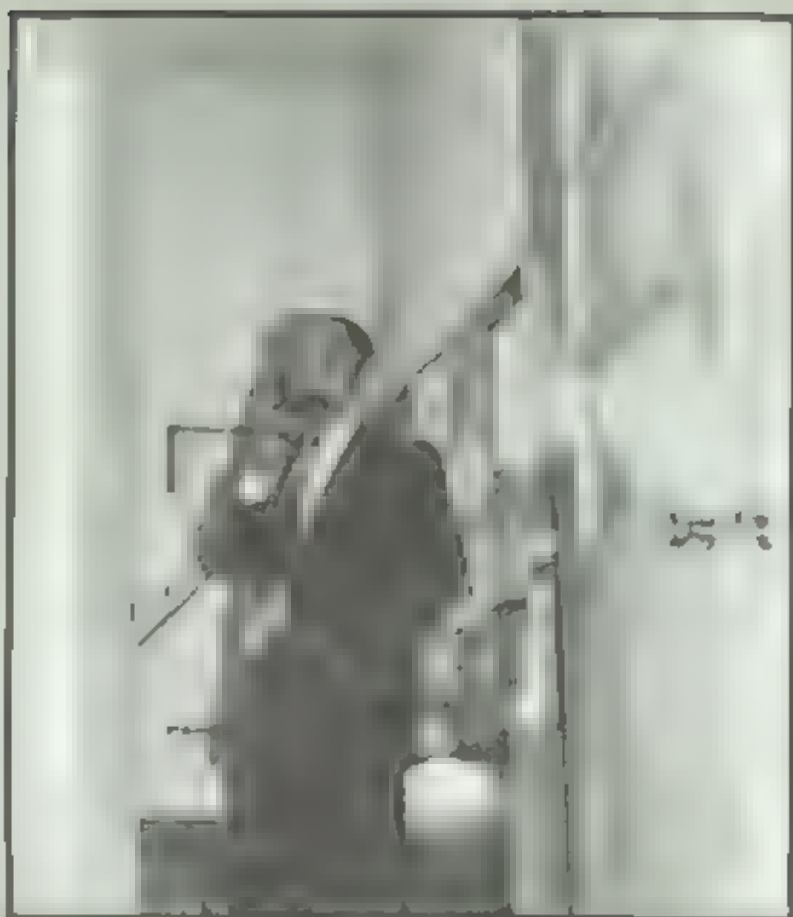

Although we groan about having to take standardized tests, we appreciate the analysis we get from Mr. Cripps.

SPECIAL EDUCATION

Many people forget that all the special ed. teachers act as counselors. Since they have to both teach and counsel, they get to know us.

Above left: Mr. Duffy helps Pam Harkness and Colleen Perry plan their schedules. Right: Mr. Cripps checks information. Middle: Mrs. Shinsky helps Laura Brown. Below: Ms. Lamar shows aide, Cindy Faulkner, what to do.

Office Skills and Procedures Taught by Talented Business Educators

We know we want to have marketable skills after we leave GCHS. The practicality taught by Mrs. Knight in Model Office, by Mrs. Hammond in Shorthand or by Mr. Matsos in Accounting helps to get us started on the road to a good office job.

The demands of constant practice to learn the right squiggle in Shorthand or to improve those five minute timings in Typing drive us nuts but also make us strive harder.

Mr. Oman teaches us the tricks of the trade in Retailing and Salesmanship.

The proof of our skills comes when we finally get jobs in Coop during our senior year.

Teachers Help Students Prepare for their Vocations

Garden City Vocational teachers work hard to give us the best skills possible in our facility. Many of us truck over to Mr. Worrell's graphics program each day to help print materials for the school system while others get the satisfaction of fine tuning an engine in Mr. Marchel's Auto II or Mr. Wong's small engines. Mr.

Desanto shows us the skills of fine woodworking and carpentry.

Both Mr. Kussy and Mr. Wettlaufer tried to show us the inner workings of electronic circuits. Experience in Mr. Haulotte's Drafting II helps us get jobs after we graduate.

This is a different side of the school but we realize how important the skills are.

Social Studies Instructors Convey Knowledge through Videos

The social studies department shows us what the world has been like before so we can understand how we live in the present and how people and society around us function. The lectures, the videotapes, and the class discussions all help us get used to new and old ideas.

Teachers Help Students Prepare for Adulthood

Students at Garden City recognize that the "real world" means more than signing up for college or conjugating verbs. The home ec department offers a variety of classes to help us take care of ourselves and our families.

Mrs. Lelek and Mrs. Maycock inspire us to try new tastes in Foods, Mrs. Paupore teaches us the intricacies of patterns and materials in Clothing, and Mrs. Cripps helps us to get ready for adult responsibilities in Family Living, the Child, and Personal and Family Finance.

We struggle with colors and budgets in Interior Decorating. Carpet and paint samples become important.

Some seniors go to the Wayne-Westland Voc-Tech Center for a vocational child care class.

T.V. Studio Combines Technology with Communication Skills

ENGLISH

A major addition to the English department during 1983-84 is the t-v studio. Provided by McClean-Hunter for Garden City, the studio is used in T-V Production, where Mr. Digiorgio trains students in the intricacies of good filming, effective editing and control board skills.

In addition, English requires us to struggle with writing skills in Ms. Fris tick's Advanced Comp., distinguish between participles and gerunds in Miss Marcaccini's Grammar or learn the roster of Greek gods in Mythology

FOREIGN LANGUAGE

Spanish, Franch, and German offer us a chance to understand cultures, while learning different inflections and grammars. "Bon jour," "Guten tag" or "Que pasa?" are part of us now.

Board of Education, Keeping a Standard for Excellence

Mr. Wilmot, the new superintendent of schools used his experience as principal at East High to improve the effectiveness of the teaching and the classroom activities in Garden City. The Board of Education, the elected members of the community, has established a goal of excellence for Garden City schools.

They have set standards and policies to benefit students throughout the district.

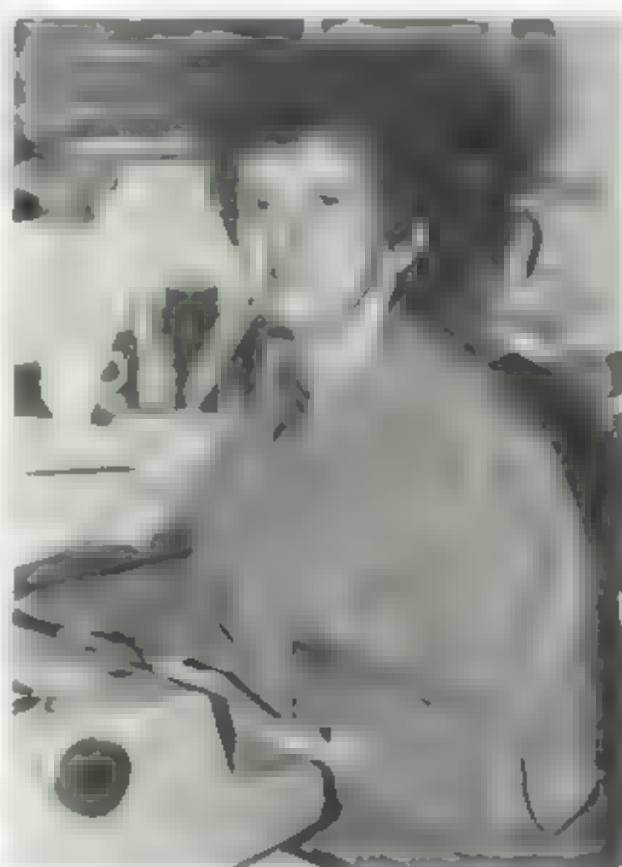

Above: Mr. Wanderski, Mr. Sutton and Mr. Wilmot listen intently to the meeting.

Secretaries Keep Administrators in Line

Garden City High School Secretarial staff consists of a group of seven professional women who really are the major backbone of this school: Mrs. Brusinski, Mrs. Metivier, Mrs. Smith, Mrs. Zonca, Mrs. Harbison, Mrs. Amici and Mrs. Gibbs. Two other secretaries come in part of the time, Mrs. Stapleton, working for Mr. Quinn and Mrs. Matlis working in the district Media Center.

Administrators Keep Things Running Smoothly

This year Garden City High School has some new faces on the administrative team. First, Mr. Ron Cowden, who came from Manistee High School. Second, Mr. Dennis McQuillan, who had been a teacher at both high schools, and an assistant principal at G.C. Junior High. Currently he's an associate principal at G.C.H.S. last, Mr. Dan Quinn who brought experience to the administration staff. Mr. Quinn has been a teacher and administrator at West, before coming to G.C.H.S.

There have been many changes made this year, some of them are a more strict attendance policy and also required study hall.

Spirit

Mr. Cowden has shown a tremendous amount of spirit and enthusiasm this year. There has been much more involvement from the students and the teaching staff. Pep assemblies, spirit week, and activities night always seem to "fire up" students.

Cafeteria and Janitorial Workers

Garden City High School is kept at its best by the janitors and cafeteria workers. They donate many hours to keeping the school clean and the students fed.

Both the students and their co-workers greatly appreciate the janitors and cafeteria workers for their time and efforts.

A heartfelt "Thank You" goes to those who gave so much of themselves and their time.

Upper Right: Jim Kile waves to his on-looking fans. Lower Left: Betty Sanders checks the figures for accuracy. Lower Right: Eleanor Lavigne and Ruth Jean get ready for the afternoon rush.

Keeping G.C.H.S. Looking Great!

Upper Left: Eleanor Lavigne and Bett Sanders take time to smile for the camera. Upper Right: Bett Sanders helps out with the busy kitchen. Lower Left: Mr. Hill keeps the girls looking their best. Lower Right: Bett Sanders' the best at in the kitchen.

Support from Parents Is Shown

The following parents congratulate the graduating seniors at Garden City High School for accomplishing their goal of completing a high school education. "We are proud of you and may your diploma mean as much to you as you have meant to us these past years. May God bless you in your next step." Signed,

Orin Jewelers, INC

Since 1933

"Your Family Diamond Store"

DIAMONDS • PRECIOUS GEMS • WATCHES • GOLD

Why does Orin Jewelers have a successful jewelry store?

Why does Orin Jewelers do over half their business selling diamonds and precious gems?

It's simple. Orins sells only quality merchandise. We also have the most reasonable prices on diamonds, precious gems and gold jewelry sets in the latest and most fashionable styles.

Don't be fooled by 1/2 off sale prices and special deals. You can buy a 1/2 carat diamond anywhere from \$600.00 to \$3500.00, depending on the quality. The bottom line is, that Orins cares how you spend your hard earned money, and we make it a point to see that you get what you pay for.

Does this sound like the kind of store you have always been looking for? If so, we hope you will give us the opportunity to prove the difference a professional jeweler can make.

Heritage with Pride in its second year of publication, has gone through a lot of hardships this year. With the consolidation last year, they had to compromise some of their ideals from each side. Working together, sharing ideas and receiving cooperation from Focal Point, our school photographer, and Camera Art, the yearbook staff managed to meet deadlines and come out with another well done yearbook. With these thoughts in mind, thanks are due to.....
